

List of State Representation by SPDA

Northern region

1. Rajasthan

S NO	Date	Issues
1	03.10.2020	Request for clarification on land tax imposed on solar power projects

2. Punjab

S NO	Date	Issues
1	05.11.2020/ 13.08.2020	<p>Representation to request for your kind intervention in billing and grid outage issues with PSPCL.</p> <p>Request to MNRE to intervene and advise PSPCL as below:</p> <p>a. To provide full payments against 5% tariff deduction to developers for the month of April to May 2020 without any deduction and discount, as the developers are statutorily and contractually entitled to receive full payments against their energy bills as per the tariff determined under the PPA.</p> <p>b. PSPCL has not recorded meter readings for the first week of month of April 2020 which is does not align PPA terms and request MNRE to resolve the payment to the developers at the earliest.</p>

Western region

1. Gujarat

S NO	Date	Issues
1	04.09.2020	Request your kind intervention to provide Net Metering Approval for Rooftop Solar Plants in the state of Gujarat as per MNRE guidelines.
2	09.10.2020	SPDA request to Govt of Gujarat to kindly consider the provision of Change-in-Law should be applicable not only on the output (i.e. in the form of energy or sale of electricity) but also on the input (i.e. cost affecting setting up of the project). Therefore, the provisions of Change-in-law should be applicable for setting up of power project as well as supply of power which have a direct effect on the project.

Southern region

1. Karnataka

S NO	Date	Issues
1	09.10.2020	<p>SPDA letter to Govt. of Karnataka regarding request for issuance of directions to KERC U/s 108 of Electricity Act reg. reimbursement of additional cost incurred in the solar project due to imposition of Safeguard Duty and rationalisation of Fee charged and procedure followed in this regard by KERC</p> <p>Request: We hereby request you to issue directions to Hon'ble KERC under Section 108 of Electricity Act 2003, to expedite the reimbursement of the additional cost and reduction of fee to file petitions in such cases.</p>
2	08.07.2020	Request for reimbursement of additional cost incurred in the solar project due to imposition of Safeguard Duty by Ministry of Finance, GOI

2. Andhra Pradesh

S NO	Date	Issues
1	06.10.2020	Request for resolution of pending PPA matters concerning RE sector in Andhra Pradesh, before initiating bids for the proposed 10,000 GW Mega Solar Power Project in the State. It is expected that the attached issues ideally be resolved before the announcement of bid dates for the 10,000 MW agricultural supply tender, which will send a positive signal to investors, and shall ensure wide participation and competitive price discovery in the future tenders.
2	07.09.2020/ 06.11.2020	<p>Request for an intervention from the Central Govt. for an early hearing and decision in the matters of PPA dispute from the Hon'ble High Court of Andhra Pradesh (APHC).</p> <p>The Central government to kindly request APHC for an early adjudication in this matter so that sector can move forward. In addition, both governments should request APHC for restoration of full tariff and immediate release of past payment.</p>
3	01.09.2020	<p>MNRE Monthly MoM: Request MNRE to resolve the issue and expedite pending payment with AP Discoms. For example, Mytrah, receivable have increased to Rs 500 cr.</p>

4	01.09.2020	MNRE Monthly MoM: Request to resolve the issue pertaining to Kadappa Solar park delay in land allotment to successful bidders (SECI bid) . Land amount has already been paid to Solar developers.
5	29.08.2020	Representation to request for your intervention in the AP in the AP Tariff Reduction matter and the associated writ appeals currently pending before the Hon'ble High Court of Andhra Pradesh at Amravati (Hon'ble High Court/AP High Court). We really hope that our predicament in these grave circumstances will be appreciated and appropriate relief as requested for above shall be granted to the RE industry, especially considering the criticality to ensure the sustained operations of the RE power plants.
6		Heavy curtailment of solar and wind energy by AP Discoms and to advise discoms to provide valid reasons as well as data, if curtailment becomes necessary for grid stability.
7		Resolution of non-payment of RE tariffs beyond normative numbers of 23.5% Capacity Utilisation (CUF) for wind DC overloaded capacity

3. Telangana

S NO	Date	Issues
1	24.08.2020	Order of assessment under Telangana Tax on Entry of Goods into Local Areas Act. 2001 (TGET Act) issued in case of various Solar Power Developers (SPDs) Companies.
2	30.09.2020	Release of outstanding dues and long pending monthly bills by Telangana DISCOMs
