CORRIGENDUM

Subject: Opening and maintaining of adequate Letter of Credit (LC) as Payment Security Mechanism under Power Purchase Agreements by Distribution Licensees - Reg

Reference this Ministry's Order of even no. dated 28.06.2019 (Copy enclosed).

2. The Ministry of New and Renewable Energy have brought to the notice of this Ministry that many of the Renewable energy generating stations are intra state generators.

3. Some States have requested that in case of delay etc. in the opening of LC, there should also be a provision for advance payment for supply for one day or more.

4. Therefore, it has been decided to partially modify the Order dated 28.06.2019 by adding the following:

I. Wherever the words 'NLDC & RLDC' occurred, the term, 'and State Load Despatch Centre (SLDC)' will be added after that.

II. After Para 5.0 (vi) of the aforesaid Order, the following paras will be added:

vii. The LC may be opened as per the PPA. However, the Distribution Company may open LC for a shorter duration say for supply corresponding to one week or fortnight. The same may be intimated to the respective LDCs and the generating company. In such cases also the LDCs shall schedule the power.

viii. In case of difficulty in opening of LC, Distribution Company may pay in advance through electronic mode the amount equal to the amount corresponding to atleast one day purchases of electricity and inform the same to the respective LDC. In such case also LDC shall schedule the power to the Distribution Company.

5. All other terms and conditions of the Ministry's Order of even No. dated 28.06.2019 will remain unchanged.

Encl: As above

New Delhi, 28th June, 2019

ORDER

Subject: Opening and maintaining of adequate Letter of Credit (LC) as Payment Security Mechanism under Power Purchase Agreements by Distribution Licensees -Reg

1.0 Under the Electricity Act 2003; Regional Load Despatch Centres (RLDC) and State Load Despatch Centres (SLDC) are cast with the statutory responsibility to ensure that the supply of electricity is made in accordance with the contracts.

2.0 Section 28 (3) (a) of the Electricity Act 2003 provides that the Regional Load Despatch Centre shall be responsible for optimum scheduling and despatch of electricity within the region, in accordance with the contracts entered into with the licensees or the generating companies operating in the region.

3.0 Similarly as per provisions of Section 32 (2)(a) the State Load Despatch Centre shall be responsible for optimum scheduling and despatch of electricity within a State, in accordance with the contracts entered into with the licensees or the generating companies operating in that State.

4.0 The Power Purchase Agreements have the provision regarding maintenance of adequate Payment Security Mechanism mainly in the form of Letters of Credit by the Distribution Licensees/ Procurers of Power. A robust Payment Security System requires adequacy and validity of Letter of Credit to cover the payments due on account of drawal of power.

5.0 It has been seen that despite the above provisions, the Letters of Credit are not being given and there is huge outstanding on account of unpaid power bills. This makes it difficult for the Generators to pay for the fuel, which has to be pre-paid, to continue the generation. The Generators are also required to pay to the Railways in advance for the rakes. If this situation persists, the Generators will not be able to pay for fuel/transportation leading to shortfall in generation of electricity. There will thus be wide spread load shedding on account of lack of generation. It is essential therefore that all the provisions mentioned above are implemented strictly. NLDC & RLDC are therefore directed as follows:

- i. In accordance with Section 28 (3) (a), the NLDC & RLDC shall despatch power only after it is intimated by the Generating Company and /Distribution Companies that a Letter of Credit for the desired quantum of power has been opened and copies made available to the concerned Generating Company.
- ii. The intimation to NLDC and RLDC shall specify the period of supply.

- iii. RLDC shall dispatch electricity only up to the quantity equivalent of value of Letter of Credit.
- iv. The dispatch shall stop once the quantum of electricity under LC is supplied.
- v. The concerned generating company shall be entitled to encash the LC after expiry of grace period, i.e. 45 to 60 days as provided in the PPA.
- vi. In the event power is not dispatched for any reason given above, the Distribution licensee shall continue to pay the Fixed Charge to the Generating Company.

6.0 It shall also be ensured by the Load Despatch Centre that the regulated entity, during the period of regulation, has no access to procure power from the Power Exchanges and they shall not be granted Short Term Open Access (STOA).

7.0 In case scheduling and despatch of power produced by any generator is not done due to non-opening of Letter of Credit by the Distribution licensee, then the Distribution licensee would be liable to pay compensation to the generator as per the terms of Power Purchase Agreement or Power Sale Agreement, as the case may be, the distribution licensee has entered in with the generator.

8.0 NLDC/ RLDC/SLDC shall carry out such duty cast under Electricity Act, 2003 from 01.08.2019.

9.0 This issues with the approval of Minister of State (I/C) for Power and NRE.
